## RULES

- Have the other players guess the word on his cards.
- You can play it in 3 rounds:  
First round: possibility to guess the word by giving its definition, explaining
- Second round: a single word will be given to make people guess their word
- Third round: the word to be guessed will be mimed.  
If you do not remember the word you have to guess, you can go to "BIG FAT NOTEBOOK"

## BATTLE GUESS

6th grade
